Take advantage of our Extra Height Garage Doors at no additional cost

STODDART® GARAGE DOORS

Add Extra Height Garage Door to your inclusions and selling features

With a Stoddart Garage Door, there is no need to limit your standard opening height to 2100mm.

Our standard 4 panel garage door suits an opening of up to 2320mm.

CEILING AND GARAGE DOOR HEIGHT TABLE				
Garage Ceiling Height	Head-room	Conc. rebate	Door Opening Height	Under side of door jamb
2400	250	20	2170	2150
2450	250	20	2220	2200
2550	250	20	2320	2300
2700	250	20	2320	2300
2750	250	20	2320	2300
Optional 190mm front mount 'Extra Low Headroom' available				

Save on Construction costs

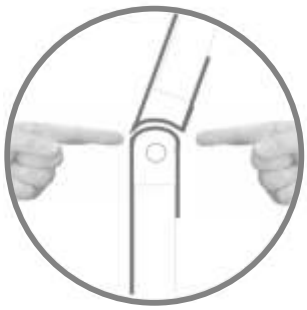
No extra costs for a 250mm low headroom system

No need for an expensive and unsightly rear mount low headroom system

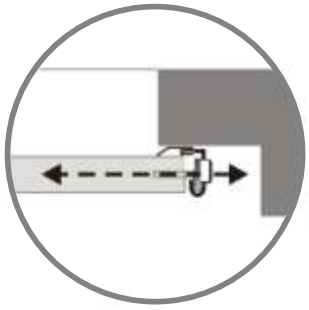
Save costs by reducing framing, cladding and finishing

Your customers will appreciate

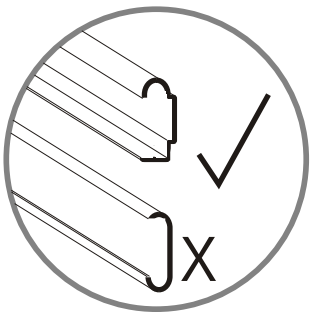
- A higher door opening
- A more versatile garage
- Improved side storage



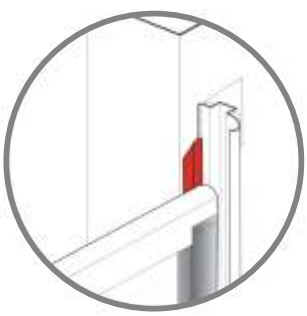
Finger Safe
Internal and External



Latest In-Line Engineering and Built-in hinges



Tough Track
Up to 50% stronger



Optional Side Seals to reduce rain, dust and vermin ingress
