

Who are RMS Traders Natural Stone Tiles?

RMS Traders are a family-owned business, who exist simply to supply high-quality, affordable natural stone tiles both commercially and residentially, Australia wide.

With established offices and connections around the world, along with their own manufacturing plants, RMS Traders are equipped to customise and order products to meet every customer's needs.

RMS Traders believe that high-quality products come hand in hand with high-quality service and that's why their prices are competitive.

RMS Traders are so serious about making sure your jobs run smoothly that they offer a quality guarantee on all tiles and pavers ensuring they are delivered to you in perfect condition.

RMS Trader's showrooms showcase an extensive range of natural stone including travertine, bluestone, limestone, pool coping, crazy paving and granite- timeless, durable products that are always stocked and available for next day delivery.

As direct importers, RMS Traders can offer competitive pricing that makes them the perfect choice for all professional tradesmen. They appreciate high-quality service that aligns with high-quality products and pass on great pricing to their members.

A Trade Account with RMS Traders will give you exclusive, discounted prices on all tiles and pavers. By combining their already competitive pricing with an exclusive members-only discount means your pockets will stay deep while your materials remain high-end.
